

- ✓ **Measure twice, cut once.**
- **Back to the drawing board.**

**If you're careful,
you can build your
dream retirement.**

401(k) Day
Make wise choices.

Your 401(k) plan offers all the right tools: tax-deferred compounding, the convenience of payroll deductions, and a wide range of investment options. All you need is a blueprint of your retirement goals and a steady hand.

Brought to you by the Profit Sharing/401k Council of America | 401kday.org
